Description

The Office Organizer can be easily and quickly secured to the headrest on the front passenger seat using a belt strap and thus ideally complements the Auto-Assistant. It can also be used as a document compartment on the SR5 van racking system using the adapter plate on the rear. In both cases, whether in the passenger cab or in the cargo space, the Office Organizer provides versatile storage and organisation options through its main compartment for documents and folders up to size DIN A4 coupled with various smaller compartments on the front.
