Color:	Sortimo CoolGrey

Dimensions

Grid height:	8
External dimensions:	10.744 x 4.429 x 0.583 in

Technical data

Weight:	0.12 lb

Description

The SR-BOXX 00-8 L divider lets SR-BOXXes 03-8 L and 04-8 L be partitioned into two or four areas. This lets you transport small components required for work together in a SR-BOXX to site, without them becoming mixed up. Time-consuming searches for the correct parts thus become a thing of the past.
