Description

Introduce order into your L-BOXX with the small components tray with 8 compartments to fit the L-BOXX 102 G4. A diverse range and number of different sizes of small components can be stored and are readily available, thanks to the different sized compartments. A quicker overview of the contents and volume provide for more efficiency in day-to-day work.

Tip: Combine the small components tray with the rigid foam L-BOXX G4 lid insert. When the L-BOXX cover is closed it seals the compartments, preventing the contents inside from becoming mixed up.
